

Adjustment Candidates' Recommendation form

- Use current form. It has been revised for SY 2023-2024.
- Use a new form each time you submit a batch of Adjustments. Enter the batch number in the box on the upper right corner of the form
- The principal/president signs by typing her or his name in the signature line on the form.
- Submit the completed form to GRACE in spreadsheet format as an email attachment. Keep a copy for your records.
- Adjustments are usually requested in the secondary award season (June 1 - Sept 1) when funds become available from forfeitures.
- Adjustments can be made for students previously approved for a first time award or for a renewal.
- The form is a spreadsheet. You must key-in information directly into the spreadsheet. The spreadsheet will calculate some cells for you. Do not override calculated cells. Do not hand print data.
- If needed, rows may be added to the spreadsheet. It is better to not add a row just above the total row as you may need to re-sum the column.
- Calculated financial need (CFN) must be verified by tax documents submitted by the parents/guardians. The documents are specified by FACTS or other financial aid firm contracted by the school. Typically, the documents include the most recent federal income tax return and the W-2 forms for the previous year. Unverified recommendations will not be accepted and put a hold on the recommendation form (FTC, renewal, or adjustment). Coordinators should contact parents/guardians early in 2023 to encourage parents to complete FACTS information and document requirements by March 1. The school may set a deadline earlier than March 1. Coordinators should be vigilant on this matter and follow up with parents/guardians as necessary. If a parent/guardian did not file a tax return, the school may apply for an [Exception](#)
