

MATCHING GIFTS

As a 501(c)(3) organization under the Internal Revenue Code, GRACE Scholars is eligible to receive matching gifts from companies. Donors can double or triple the size of their gift to GRACE.

- No credit is received by the corporate donor, so the matching gift does not use up the cap on available tax credits.
- Each company sets its own rules on matching gifts, so eligibility can vary.
- Determine if your company matches gifts.
- Complete your company online or paper matching gifts form.
- The company sends the form to GRACE.
- GRACE completes the charity form section then sends the form back to the company.
- The company issues a check to GRACE according to its disbursement schedule.
- GRACE will designate the company's match to the same designation as that of the donor unless company policy states otherwise.
